

BCTM 2008 EXHIBITS

The 2008 IEEE Bipolar / **BiCMOS** Circuits and Technology Meeting (BCTM2008) provides a forum for technical communication focused on the needs and interests of the bipolar and BiCMOS community. BCTM is considered one of the leading and well known technology conferences in field of semiconductor technology.

The BCTM2008 conference will be held on October 13-16, 2008 in Monterey, California, USA. It includes one day of short course, two days of conference and a one-day Compact Modeling Workshop.

The BCTM conference attracts people interested in all aspects of semiconductor business; starting material, semiconductor manufacturing and testing tools, assembly, process simulation and evaluation tools, off site manufacturing services etc.

This is the first time BCTM will jointly co-locate with another leading conference **Compound Semiconductor IC Symposium** (CSICS). This means target audience of over 600 interested people in your product and services. Both conferences will have a joint BCTM-CSICS exhibit (about 70 booths).

We hope you do not miss this great opportunity to attend this premier semiconductor conference as an exhibitor and present your services to more than 600 semiconductor professionals.

In case you want to have a booth at BCTM-CSICS exhibit, please fill out the attached form.

Information about the BCTM2008 can be viewed at <http://www.ieee-bctm.org/>

**2008 Bipolar/BiCMOS Circuits & Technology Meeting
Exhibitor Information Sheet**

Company _____

Contact name _____

Title/Position _____

Address _____

City _____ State _____ Zip _____

Country _____

TEL _____

FAX _____

Email _____

URL _____

Please provide an electronic file of your company logo

We are interested in exhibitor space for 2008.....

Brief description of your exhibit _____

Special requirements / concerns _____

Exhibit space fee is \$2000.

Please make check to IEEE_BCTM or for wire transfer information, contact Jan Jopke, BCTM 2008 conference manager:

Tel: +1-952-934-5082- Fax: +1-952-934-6741- Email: ccsevents@comcast.net
